inviting attention to subject noted
of the Sasana Representative Assem-

with a view to see that no un-
-necessary hardship is caused,
I have the honor to state that
Circular orders have already been
issued to all the Talukas on the
subject. The matter came before
the District Board when it met

on the 22nd June 1904, and it was resolved that the remedy had been provided for in the Cattle Trespass Regulation. Section 9 of the Regulation imposes upon the pound-keeper the duty he has to do from the time cattle are impounded until they are disposed of and a penalty for failure in performing the duties has been prescribed in Section 20. One anna per head is allowed for feeding per diem, and if it is to be still better fed, the rate has to be enhanced I consider that the existing provisions on the subject are sufficient
